

GUARANTEED ADMISSION AGREEMENT
University of Virginia School of Continuing and Professional Studies
Bachelor of Professional Studies in Health Sciences Management Program
and
Virginia Community College System

The Rector and Visitors of the University of Virginia (“the University”) is pleased to guarantee the admission of Virginia Community College System (“VCCS”) students into the Bachelor of Professional Studies in Health Sciences Management program (“Program”) according to the terms of this Guaranteed Admission Agreement (“Agreement”). VCCS students who do not meet the terms described herein may still apply and will be considered for admission, although admission is not guaranteed. The Agreement is effective with the cohort entering fall 2015.

The **School of Continuing and Professional Studies** (“SCPS”) will limit the number of students admitted to the Program to a cohort of 25 students each year. SCPS will make offers of admission according to the Agreement in order of the date of submission of a completed application, including payment of the application fee. If, by the application deadline, the number of qualified applicants admitted under the Agreement exceeds 25, then those applicants in excess of 25 will be waitlisted. Waitlisted applicants may be offered admission if the cohort falls below 25, or will be offered deferred admission, with no application fee, for the next available cohort. Admitted students must enroll on a part-time basis.

Section I: General Requirements for Undergraduate Admission to the School of Continuing and Professional Studies Bachelor of Professional Studies in Health Sciences Management Program

The University agrees to guarantee admission to the SCPS Program for a VCCS student who fulfills all of the steps described below.

- Completes an Associate of Applied Science degree from a VCCS college in an applicable allied health field¹ with 45 or more credits earned from VCCS. Transferable credits² may include dual enrollment credit, but not AP or IB credit.
 - The University will evaluate AP and IB credit for an admitted student and award credit based on policies in place at the time the student enrolls.³
- Completes a minimum of 24 credits of postsecondary coursework – not taken via dual enrollment – after completion of a secondary-level curriculum. Students who do not meet these criteria may apply to SCPS for regular admission and will be considered on an equal basis with other applicants for admission. Students earning an associate’s degree prior to or concurrent with completion of a secondary-level curriculum are not eligible for admission under this Agreement.

¹ All uses of “applicable allied health field” in the Agreement means those fields for which SCPS has developed an approved degree transfer map, including Physical Therapy Assistant, Radiography, Sonography, and Respiratory Therapy.

² All uses of “transferable” in the Agreement mean transferable to the University’s School of Continuing and Professional Studies.

³ A complete inventory of the advanced examinations for which the University grants advanced standing or advanced placement may be found in the *Undergraduate Record*. See <http://records.ureg.virginia.edu> (Admission).

- Satisfies all competency and area requirements of SCPS as specified in Section II.
- Achieves a cumulative grade point average in VCCS coursework of 3.5 or better on a 4.0 scale at the time of application and at the time of matriculation. If a student repeats a course, the University will include both the original and repeated course grades in the grade point average calculation.
- Earns a grade of C or better in every postsecondary course taken, with the exception that the grade in ENG 111 (College Composition I) and ENG 112 (College Composition II) must be a B or better, provided the courses were not taken as dual enrollment courses. If the courses were dual enrollment, then the student must take ENG 210 (Advanced Composition) and receive a grade of B or better.
 - Students earning a grade lower than a C in any postsecondary course or a grade of C or lower in ENG 111 (College Composition I) or ENG 112 (College Composition II) are not eligible for admission under this Agreement, even if such course is repeated and results in a higher grade. Students who do not meet these criteria may apply and be considered for admission through the regular process.
- Submits an official transcript to the SCPS Office of Admission Services by February 15 of the year for which the student is seeking admission. These official transcripts will be used to identify, in writing, missing prerequisites for students.
- Submits a completed application for admission by April 1. (Applicants with financial need may be eligible for an application fee waiver. An interested student should submit a written request, which includes an explanation of financial hardship, to the SCPS Office of Admission Services at least two weeks prior to the application deadline.
