Non-Hispanic	260,920
Hispanic	18,819

■ Hispanic   
 ■ Not Hispanic

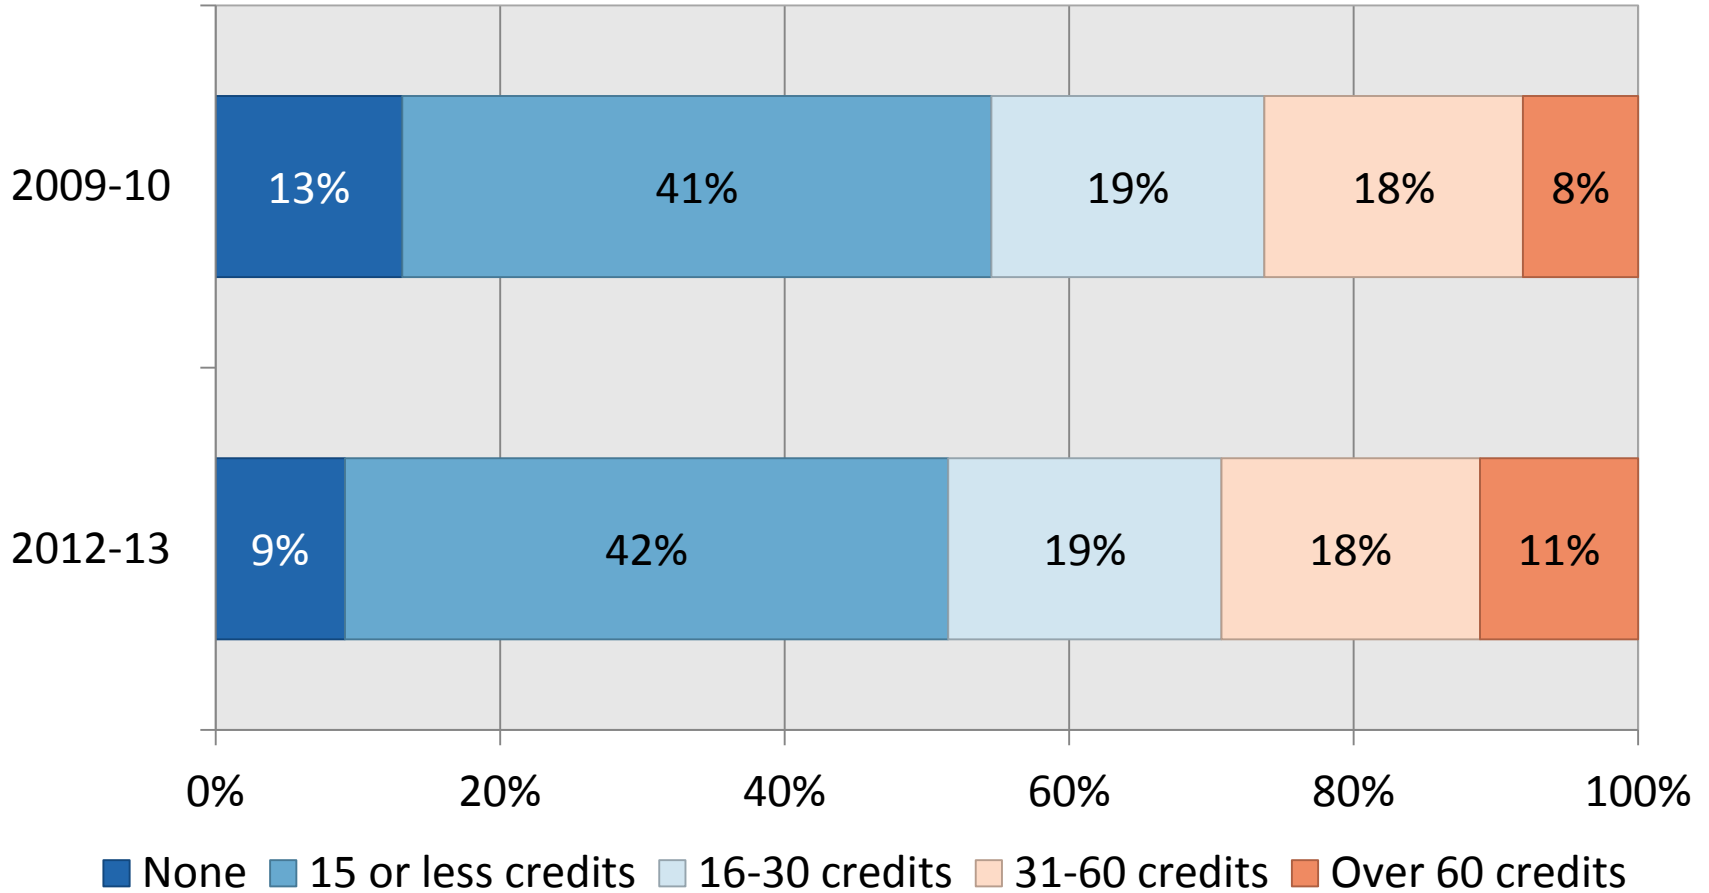

# CHANGE IN HISPANIC STUDENT ENROLLMENT BY PROGRAM TYPE

# HISPANIC STUDENTS IN STEM

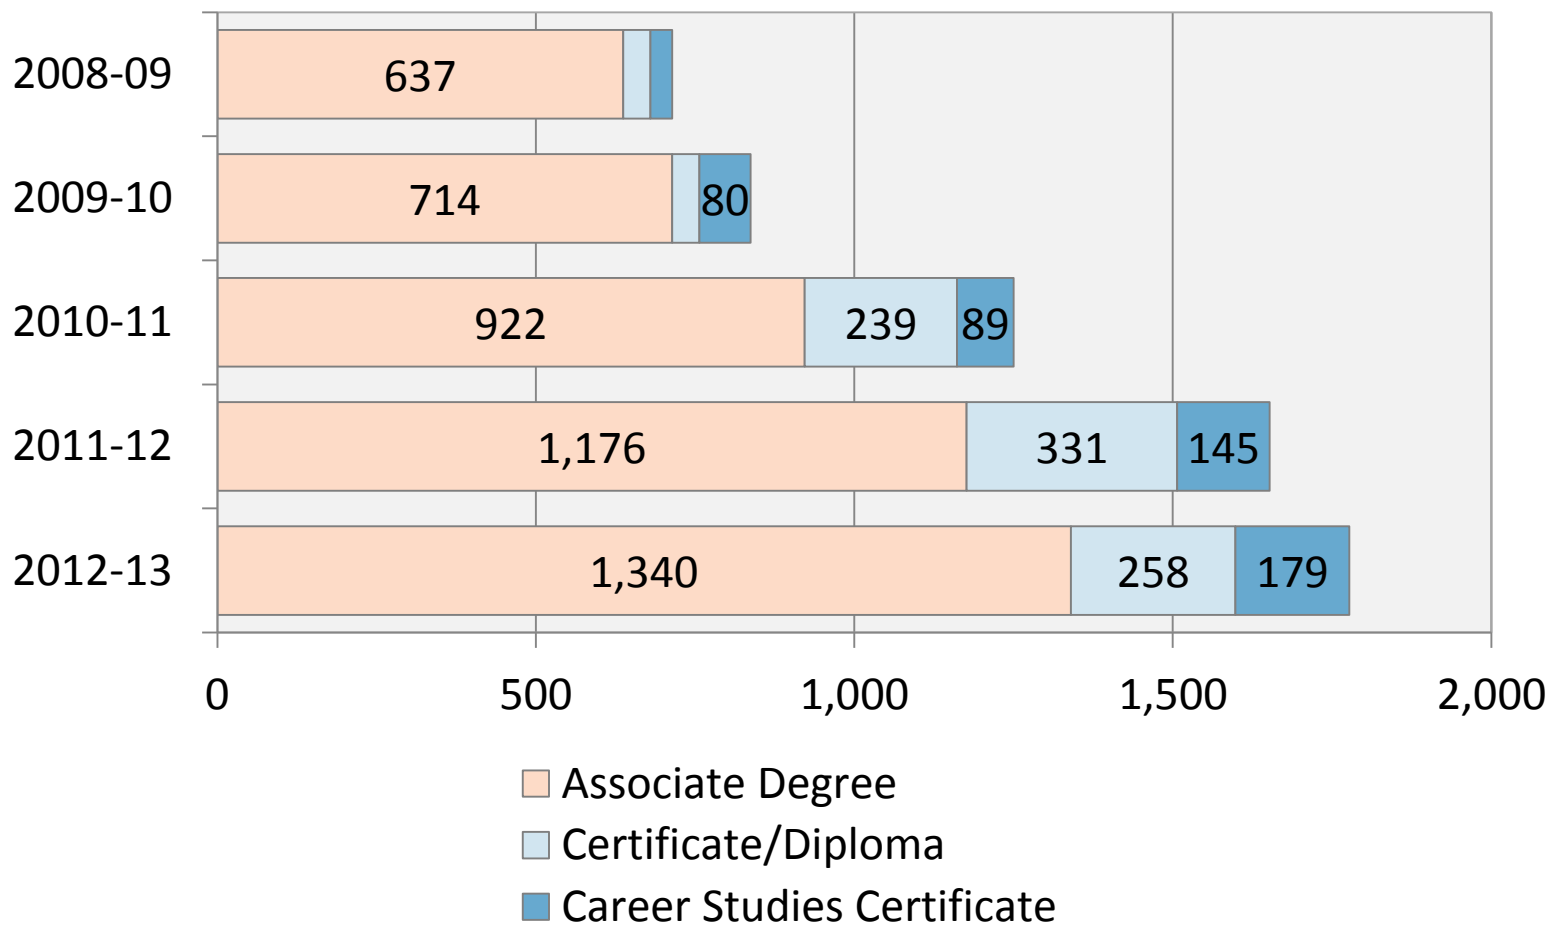

# PERCENT OF VCCS HISPANIC STUDENTS BY NUMBER OF CREDITS PASSED

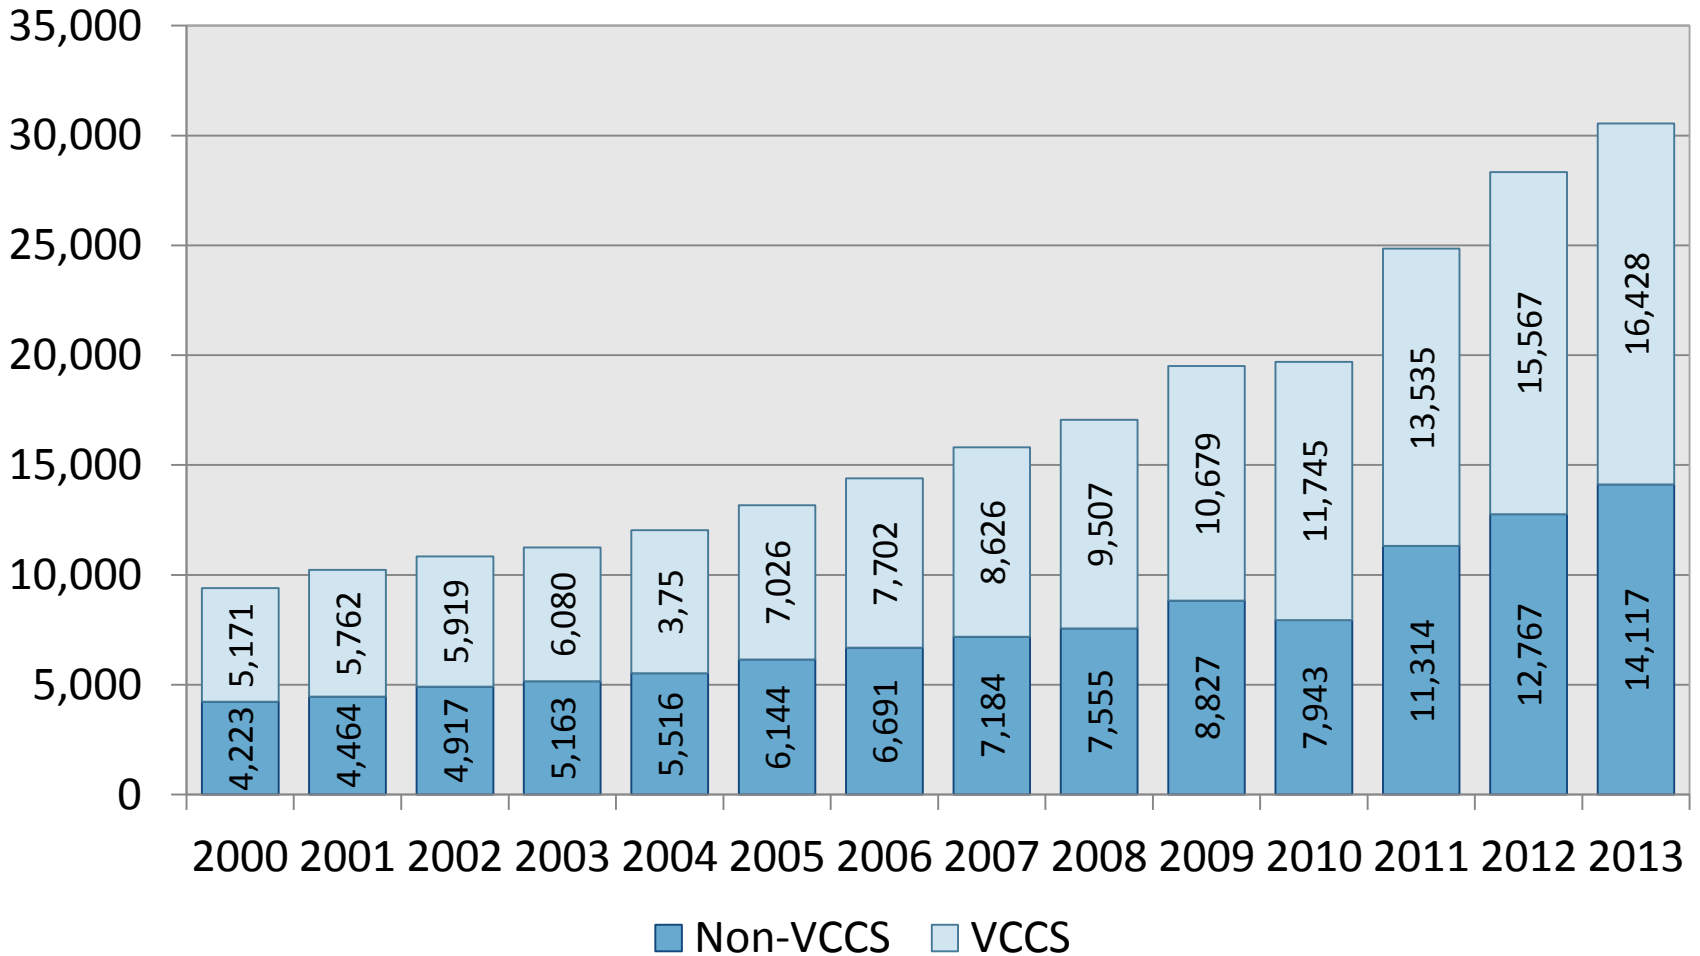

# HISPANIC STUDENTS EARNING CREDENTIALS BY AWARD TYPE

# FALL HISPANIC STUDENT ENROLLMENT IN VIRGINIA

## OVER THE PAST FIVE YEARS, HISPANIC STUDENTS:

- Have achieved graduation and transfer rates similar to non-Hispanic students
- Increasingly pursued STEM fields
- Increasingly enrolled in transfer programs

# MOVING FORWARD...

- Continuing momentum will be a student services challenge
  - More first-generation Hispanic students
  - More Hispanic students receiving Pell
- Virginia has the opportunity to be a national leader
  - Only 13.9% of Hispanics have earned a Bachelor's degree or higher in the United States
